

Honduras Mission Experience

Registration Information

Dates: February 19 to 26, 2011

Work: Assist the families in Cerro Azul to build their homes. Anyone can come; there will be work to do that meets your skill and physical ability.

Cost: Through fundraising and individual payments, we will make every effort so that every person who wants to travel is able to go to Honduras for a mission experience. Cost should not be a factor that keeps you from going!

Total cost per person to travel is approximately \$950. We are asking that each individual be responsible for as much of that cost as possible. Our goal is to have fundraising projects cover \$250 to \$300 of each traveler's costs. More support can be developed if needed. There are many ways to arrange financial support. Through fundraising we also provide \$200 per person for building materials

Payment Schedule:

October 1, 2010: Deposit of \$200 with completed registration form

January 1, 2011: Payment of \$300

February 1, 2011: Balance due depending on fund raising.
